## **FOR IMMEDIATE RELEASE**

### **Accellent Inc. Announces Certain Preliminary Fourth Quarter and Full Year 2009 Financial Information**

Wilmington, MA (January 19, 2010) – Accellent Inc. (the “Company”), a wholly owned subsidiary of Accellent Holdings Corp. (“Accellent”), today announced certain preliminary financial information for its fiscal fourth quarter and the full year ended December 31, 2009. Such information remains preliminary and subject to audit.

The Company expects net sales for the fiscal fourth quarter to total approximately \$109.0 million to \$111.0 million and expects net sales for the full year ended December 31, 2009 to total approximately \$477.0 million to \$479.0 million. In addition, the Company expects that, as of December 31, 2009, it remained in compliance with the leverage ratio and coverage ratio covenants set forth in its existing credit facility, with such ratios comparable to those as of September 30, 2009.

#### **About Accellent**

Accellent provides fully integrated outsourced manufacturing and engineering services to the medical device industry in the cardiology, endoscopy, drug delivery, neurology and orthopaedic markets. Accellent has broad capabilities in design and engineering services, precision component fabrication, finished device assembly and complete supply chain management. These capabilities enhance customers’ speed to market and return on investment by allowing them to refocus internal resources more efficiently. For more information, please visit [www.accellent.com](http://www.accellent.com).

#### **Forward-Looking Statements**

This press release includes “forward looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Act of 1934, as amended. All statements included herein, other than statements of historical fact, may constitute forward-looking statements. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, it can give no assurance that such expectations will prove to be correct. Important factors that could cause actual results to differ materially from the Company’s expectations are disclosed in the risk factors contained in the Company’s Form 10-K for the year ended December 31, 2008 filed with the Securities and Exchange Commission on March 31, 2009. All forward-looking statements are expressly qualified in their entirety by such risk factors.
